Presents a collection of erotic romance stories from such authors as Anne Calhoun, Emelia Elmwood, Megan Hart, and Portia Da Costa.

The New York Times bestselling author of *The Library of Light* and *Shadow* crafts “an enchanting glimpse of Jazz Age New York” (Christina Baker Kline, #1 New York Times bestselling author of *Orphan Train*) about a young painter whose traumatic past threatens to derail her career at a prestigious summer artists’ colony run by Louis Comfort Tiffany of Tiffany & Co. fame. New York, 1924: Twenty?four?year?old Jenny Bell is one of a dozen burgeoning artists invited to Louis Comfort Tiffany’s prestigious artists’ colony. Gifted and determined, Jenny vows to avoid all distractions and take full advantage of the many wonders to be found at Laureton Hall. But Jenny’s past has followed her there. Images of her beloved mother, her hard-hearted stepfather, murder, and the dank hallways of Canada’s notorious Andrew Mercer Reformatory for Women overwhelm Jenny’s thoughts, even as she is inextricably drawn to Oliver, Tiffany’s charismatic grandson. As the summer shimmers on, and the competition between the artists grows fierce as they vie for a spot at Tiffany’s New York gallery, a series of suspicious and disturbing occurrences suggest someone else knows about Jenny’s childhood trauma. Supported by her closest friend Minx Deering, a seemingly carefree socialite yet dedicated sculptor, and Oliver, Jenny pushes her demons aside. Between stolen kisses and jewels, the champagne flows and the jazz plays on until one moonless night when Jenny’s past and present are thrown together in a desperate moment, that will threaten her promising future, her love, her friendships, and her very life. “This fast-paced mystery, star-crossed romance, and love letter to Louis Comfort Tiffany will captivate Rose’s many fans and readers of 20th-century historical fiction” (Library Journal, starred review).

Step further into the shade. Fifty Shades whet your appetite? Now it's time to experiment. Discover six shades of discipline, from a lighter grey to dark-as-night and find out whether your inner goddess wants to play naughty... or nice!

They called themselves “the lucky ones.” They were seven children either orphaned or abandoned by their parents and chosen by legendary philanthropist and brain surgeon Dr. Vincent Capello to live in The Dragon, his almost magical beach house on the Oregon Coast. Allison was the youngest of the lucky ones living an idyllic life with her newfound family...until the night she almost died, and was then whisked away from the house and her adopted family forever. Now, thirteen years later, Allison receives a letter from Roland, Dr. Capello’s oldest son, warning her that their father is ill and in his final days. Allison determines she must go home again and confront the ghosts of her past. She’s determined to find out what really happened that fateful night -- was it an accident or, as she’s always suspected, did one of her beloved family members try to kill her? But digging into the past can reveal horrific truths, and when Allison pieces together the story of her life, she’ll learn the terrible secret at the heart of the family she once loved but never really knew.

Contains excerpt of *Whitefern*, sequel to *My sweet Audrina*.

Charlotte Brand is tired of dull boyfriends and boring sex. Kingsley Edge, who owns clubs rumoured to supply more than just cocktails, seems just the man to revive her: intense, sophisticated...and looking for a submissive he can train for an elite client. Charlotte is seduced by the offer...and by Kingsley himself. Soon they are engaged in a series of lessons that test her darkest desires. But when their training is over, will Charlotte be ready to let him go?

Notorious Nora Sutherlin is famous for her delicious works of erotica, each one more popular with readers than the last. But her latest manuscript is different—more serious, more personal—and she’s sure it’ll be her breakout book...if it ever sees the light of day. Zachary Easton holds Nora’s fate in his well-manicured hands. The demanding British editor agrees to handle the book on one condition: he wants complete control. Nora must rewrite the entire novel to his exacting standards—in six weeks—or it’s no deal. Nora’s grueling writing sessions with Zach are draining...and shockingly arousing. And a dangerous former lover has her wondering which is more torturous—staying away from him...or returning to his bed? Nora thought she knew everything about being pushed to your limits. But in a world where passion is pain, nothing is ever that simple.
