Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post's *Etiquette* is the most trusted resource for navigating life's every situation. From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of *Etiquette*. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post's great-great grandchildren—this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today's social landscape. *Emily Post's Etiquette* incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including:

Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post's Etiquette also includes advice on names and titles—including Mx.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America's most unique family businesses. In addition to authoring books, the Institute provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome Etiquette and trains those interested in teaching Emily Post Etiquette.

"With wit and sharp insight, the authors of *THE TRADE OFF* provide a behind-the-scenes peek at the Machiavellian world of a luxury Manhattan store, its executives, designers, clerks—and demanding socialite customers. Told in the knowing voice of the store's ambitious shopping salon director, *THE TRADE OFF* is a fast-paced, entertaining read." —Dr. Joyce Brown, President of Fashion Institute of Technology

Go behind the window displays. Behind the racks. Two personal shoppers for Manhattan's biggest department stores have written a wildly dishy novel that goes behind the dressing rooms of New York's fashion elite. At Frankel's New York, the wives of billionaires and Hollywood celebrities sip champagne while stylists and tailors cater to every whim. And one person has made it her career to help these Amex-wielding shoppers create the perfect look. Bonnie Salerno Madden knows all of her client's preferences, whims, and fantasies. She knows the price they paid to gain access to the salon where having Bonnie as their private shopper is a first-class ticket to being the toast of the New York high-fashion social scene. But while Bonnie is all elegance on the outside, she's barely keeping it together on the inside. A single mom to a special needs child, she needs her high-pressure job to care for her family. And when that job is put in jeopardy, Bonnie will need to make some of the riskiest choices of her life to guarantee a better future for her son, and for herself. With the opportunity to live in her own fairy tale, will Bonnie have what it takes to make the trade off? "*THE TRADE OFF* is a riveting page-turner even for a non-shopper like me. The ultimate tale of New York life."—David Patrick Columbia, newyorksocialdiary.com
