Papers KS2
'Achievement for all children.' – Dr Peter Grimes, Principal Lecturer in Inclusive School Development, Canterbury Christ Church University, UK. This highly practical book contains all the guidance and resources a school will need in order

Online Library

2000 Sats

Paper 162
to implement an efficient and effective system of pupil progress tracking and evaluative Provision Mapping. It is a tried and tested system that has been shown to improve outcomes for all pupils, including those with SEN, and sits

Online Library

2000 Sats

at the very heart of
school self-
evaluation.

Throughout this
book, teachers will
find achievable
solutions to the
problems schools
face in trying to
ensure that their
practice results in
all pupils making
good progress.

Anne Massey has

Online Library

2000 Sats

Adapted the original version of Provision Mapping and developed it into a more evaluative framework that links a number of school improvement actions together. All the recommendations in this book have

Online Library

2000 Sats

Papers tried and tested in Primary schools, and have been proven to: bring about better progress and engagement for all pupils; provide an enhanced understanding of inclusion by teachers; improve communication between the

Educational standards have figured prominently in recent debates over educational policy all over the world. This is the first time that such a distinguished collection of

Online Library

2000 Sats

Scholars have

come together in the UK to discuss different perspectives on this issue. Two abiding themes emerge from these contributions to the debate. The first is that the very notion of a `standard' has to be viewed in its

Online Library

2000 Sats

historical and

social context.

Different countries
have widely

varying views of
what constitutes a
'standard' and how

necessary such a
concept is for the
adequate

functioning of their
educational

systems. And,

secondly, it is

Online Library

2000 Sats

difficult, if not impossible, to arrive at an `objective' definition of educational standards. Policies based upon comparisons of examinations, tests, or other devices should therefore be seen for what they really

Online Library

2000 Sats

Paper 2 Ks2

are human judgements which, however conscientiously pursued, are ultimately subjective and influenced by culture, personality, and general perceptions of the external world.

book. The UK
edition is also
available.

This book brings together research and professional knowledge to enhance the teaching of lower attaining students in secondary mathematics.

Attainment in

Online Library

2000 Sats

Mathematics is an important social issue, since underachievement can make a difference to future life choices, particularly amongst certain groups of students. Raising Achievement in Secondary Mathematics shows

Online Library

2000 Sats

how well-meant teaching strategies and approaches can in practice exacerbate underachievement in maths by making inappropriate demands on learners. As well as criticizing some of the teaching and grouping practices

Online Library

2000 Sats

Papers Key

that are considered normal in many schools, the book also offers an alternative view of attainment and capability, based on real classroom incidents in which 'low attaining students' show themselves to be able to think about mathematics in

Online Library

2000 Sats

Quite sophisticated ways. The author argues that teaching could be based on learners' proficiency, rather than on correcting deficits in knowledge and behaviour. She describes how a group of teachers who believed that their students

Online Library

2000 Sats

Papers KS2
could do better
with higher
expectations
developed a range
of principles and
strategies to
support their work
- the students
showed significant
progress and the
teachers felt they
were doing a better
job. With numerous
case studies, ideas

Online Library

2000 Sats

Papers Key 2

and teaching strategies, this book is for anyone who is teaching, or learning to teach, mathematics.
