This intercultural communication text reader brings together the many dimensions of ethnic and cultural identity and shows how they are communicated in everyday life. Introducing and applying key concepts, theories, and approaches--from empirical to ethnographic--a wide variety of essays look at the experiences of African Americans, Asians, Asian Americans, Latino/as, and Native Americans, as well as many cultural groups. The authors also explore issues such as gender, race, class, spirituality, alternative lifestyles, and inter- and intra-ethnic identity. Sites of analysis range from movies and photo albums to beauty salons and Deadhead concerts. Visit our website for sample chapters!

Autonomy and Identity are key concepts in both political and feminist thought and have played central roles in both fields. Although there has been much academic work on both concepts there has arguably been little that has addressed the connections between autonomy and identity. *Autonomy and Identity* seeks to draw innovative links between these concepts in order to develop a new understanding which sees autonomy as a process by which we change and develop our identity. It draws on thinkers from the canon of political thought such as G.W.F. Hegel, Mary Wollstonecraft, J.S. Mill and Simone de Beauvoir and features illustrative examples drawn from a wide range of contemporary issues including pornography, domestic violence and women's citizenship. Hague argues that identity is best understood as changing, multiple, and something we need to take

control of ourselves. In order to support this version of identity there needs to be a concept of autonomy which emphasises self-direction to control our identity.

Providing valuable insight into the complexities of thinking about linking autonomy to identity, this book will be of interest to students and scholars of political science, gender studies, contemporary political thought and the history of political thought.

This collection examines the diverse material cultures through which early modern women's writing was produced, transmitted, and received. It focuses on the ways it was originally packaged and promoted, how it circulated in its contemporary contexts, and how it was read and received in its original

"In a world that has barely survived an apocalypse that leaves it with pre-twentieth century technology, Lozen is a monster hunter for four tyrants who are holding her family hostage"--

Josie Baum is as a laundress at Lola's Pleasure Palace not a nursemaid. But when a Cheyenne warrior whisks her off to care for his friend, Daniel McCord, she must quickly learn. Suddenly alone in a remote mountain cabin, Josie is tasked with the household chores plus catering to Daniel's every whim. After years of cooking and cleaning for her fifteen step-brothers and father, Josie isn ' t about to spend the rest of her days serving the pompous Daniel McCord... even if he does quicken her pulse every time he nears.

**Half-white and half-Cheyenne, Daniel McCord is a proud man on the mend with only one desire—to right the wrongs done to his people. He isn't ready for the new hunger Josie's glowing fair-skin stirs within him or her resistance to his charms. Growing more determined to melt the heart of this willful, wild beauty, Daniel will use every skill of seduction to make Josie his. 'I'm not a woman. I'm a Conservative.'  
Edwina Currie's startling claim is in sharp contrast with another Tory woman's view: she too was a Thatcher supporter but precisely because 'women are stronger than men and have a different approach'.

The voices of 'iron ladies' like these ring out everywhere, trenchant, anxious, determined, dutiful. The issues that concern them - sex and morality, law and order, defence, education, the family - are widely thought to unite them. Yet is there a representative Tory women's view?

Tracing back to the first women active in party politics, Beatrix Campbell describes how the female members of the Primrose League, established in 1883, canvassed and campaigned so vigorously for their men that they were often thought 'unwomanly'. And through the inter-war years to the present day they've continued to work tirelessly for a party at once dependent on their dedication and support yet resistant to their asserting a clear agenda for themselves within it. There is a state of responsibility without power. It is this issue which lies at the heart of Beatrix Campbell's exploration of Tory Party

women - living under a politics of paternalism which appears to give women and their concerns a central place but denies them the possibility of real change.

Women have been consistently excluded from all manner of clubs and associations over the years, whether as the direct result of an anti-woman policy or indirectly through prohibitive entry requirements, social constraints, or conflict of interests and tastes. Retaliation from women has taken two directions: some women have set up their own exclusive clubs that reflect their own interests and aims, while others have taken on the men and striven to break down resistance to their joining 'men's' clubs on an equal footing. This book traces the development of the current situation, drawing from a wide
