Nothing is more important than worship. It is the theme of Scripture, the theme of eternity, and the theme of redemptive history— to worship the true and living and glorious God is the purpose of all creation. So why do we treat it as only what is sung or played in church on Sunday morning? Pastor John MacArthur leads you through Scripture texts about true worship. You will learn that worship is any essential expression of service rendered unto God by a soul that loves and extols Him for who He is. Worship is the nonstop role of believers, not merely part of a church service. So get ready to alter your priorities, aiming higher than entertaining worshipers on Sunday mornings. Worship shows that your ultimate priority must always be to worship the true and living God, with a radically different type of living.

"From the writer of the beloved worship songs "God and King" and "The More I Seek You" comes a book that reveals the purpose of worship. In How to Worship a King, Neese unveils the power and beauty of true worship, which surpasses any known song or melody...This book unfolds a holistic view of worship so that you can experience peace, joy and the richness of living in god's presence." -- Back cover

When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.

Everything the Bible has to say about the gospel is simply an exposition of its central message: Jesus Christ lived and died to save sinners. The gospel is about Him, and it answers Jesus' key question: "Who do you say that I am?" It is good news. In *Good News: The Gospel of Jesus Christ*, Dr. John MacArthur examines the Bible's revelation of Christ and encourages Christians with the vast implications of all that Christ accomplished for them. This is a book to rekindle love and awe for

the Savior.

Last words are always important. The cross is widely misunderstood in the present day; many in the world are deeply offended by its powerful truth. Erwin Lutzer, pastor of the Moody Church, gently leads readers on a journey into the heart of Christ to help them grasp what Christ Himself wants us to know. Jesus was not silent on the cross. Come turn your attention to His cries and be utterly changed.

Created Male and Female Almost without notice, our homes and churches have become the newest laboratory for sex-role experimentation. Lured by the world's acceptance and a national obsession with fairness, we've replaced the once-clear biblical boundaries between men and women with a confusing, frighteningly secular hybrid. The harmony and effectiveness we were promised never came--only a treacherous rift that is ruining marriages, dividing families, and splitting churches top to bottom. Different by Design offers hope for bridging that gap and finding fulfillment and success in your family and church. In his thorough, no-nonsense style, John MacArthur sets aside prevailing cultural standards and helps you understand and apply the biblical principles for men's and women's roles. Discover the beauty, balance, and benefits of God's unique role for you in this practical, well-researched tool--one you'll turn to again and again! The MacArthur Study Series is designed to help Christians better understand and apply the Bible by better understanding some of its key truths and doctrines.

Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Updated with a new foreword and revised text, a twentieth anniversary release of a top-selling reference counsels women on how to end destructive cycles of co-dependence and misogyny, in a guide that shares case histories of women who have ended or improved relationships with emotionally unavailable, addicted, or unfaithful partners. Reprint. 50,000 first printing.

MacArthur writes that when naturalistic and atheistic presuppositions are being aggressively peddled as if they were established scientific fact, Bible-believing Christians "ought to expose such lies for what they are and oppose them vigorously." With this book readers can find answers to the tough questions and learn what the Bible says about how our universe began.
