The Anger and Conflict Management training course will leave you armed with simple, practical and powerful conflict management skills that you can utilise in the workplace and in your personal life. Employees often experience anger, frustration and conflict which if not resolved and managed can lead to increased stress and decreased productivity.

The Mindspa Institute - Anger & Conflict Management

A protracted burst of anger is best described as rage. Being in a rage tends to give the protagonist a feeling of power. The person at the receiving end is often frightened and browbeaten into giving in. But getting what you want through an angry tantrum undermines your relationships in the longer term.
