Overthrowing Your Empire of Noise Noise. It's everywhere. Televisions blaring out commercials. Opinions shouted over the radio. The Internet and its unlimited distractions. All of the tasks and choices that you know don't really matter. Always intensifying, becoming a deep part of our everyday cycle, our now hurried lives. But often God speaks to us in the stillness. When Elijah needed to hear from God, God sent a fire, a quake, and a huge wind. But God wasn't in the fire. He wasn't in the quake. He wasn't in the wind. God was in the whisper. But the noise hides the whisper. Life is a dangerous place when we are stripped of our ability to hear God clearly. During His time here on earth Jesus Christ was a master of noise. He balanced time healing, teaching, and feeding the multitudes with regular periods alone with His Father. Static Jedi takes a look at the life of Jesus to help you master the noise and distractions and live in clarity.

So many people wish that God would audibly weigh in on life's greatest questions of calling, meaning, and purpose. What's crazy is that God is weighing in on those questions. We just haven't learned to listen. Nathan Finochio believes that God is constantly communicating with this world he's created. We simply aren't following the right advice when it comes to hearing what he has to say. Through biblical teaching and true life stories, Hearing God empowers and enables readers to separate fact from fiction, myth from meaning, and truly understand what God is saying to them about big decisions and daily living.
