Indulge in this "laugh-out-loud" (Jill Shalvis) #1 New York Times bestseller about two childhood enemies who--decades later--discover that there is a fine line between love and hate. "I have a proposition for you." Kacey should have run the minute those words left Seattle millionaire Jake Titus's mouth. It's been years since Kacey's seen her childhood friend Jake, but the minute Jake mentions his ill grandmother, Kacey is ready to do anything for the sweet old woman. And if that means pretending they're engaged for her sake--so be it. But Kacey wasn't counting on Jake's older brother Travis still being there. She calls him "Satan" for a reason: she's never forgotten the way he teased and taunted her. Yet when they meet again, Travis's gorgeous smile is a direct hit to her heart . . . and Kacey's more confused than ever. As the days pass, only one thing starts to become alarmingly clear--she never should have accepted Jake's deal.

THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING ELDER RACES SERIES! Half-human and half-wyr, Pia Giovanni spent her life keeping a low profile among the wyrkind and avoiding the continuing conflict between them and their Dark Fae enemies. But after being blackmailed into stealing a coin from the hoard of a dragon, Pia finds herself targeted by one of the most powerful—and passionate—of the Elder races. As the most feared and respected of the wyrkind, Dragos Cuelebre cannot believe someone had the audacity to steal from him, much less succeed. And when he catches the thief, Dragos spares her life, claiming her as his own to further explore the desire they've ignited in each other. Pia knows she must repay Dragos for her trespass, but refuses to become his slave—although she cannot deny wanting him, body and soul...

Wingman rule number two: never reveal how much you want them. Lex hates Gabi. Gabi hates Lex. But, hey, at least the hate is mutual, right? All Lex has to do is survive the next few weeks training Gabi in all the ways of Wingmen Inc. and then he can be done with her. But now that they have to work together, the sexual tension and fighting is off the charts. He isn't sure if he wants to strangle her or throw her against the nearest sturdy table and have his way with her. But Gabi has a secret, something she's keeping from not just her best friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him--no computer-science major should have that nice of a body or look that good in glasses--but "Lex Luthor" is an evil womanizer. He's dangerous. Gabi should stay far, far away. Then again, she's always wanted a little danger.

A second-chance romance from the #1 New York Times bestselling author of The Bet, Matchmaker and Elite series! She's everywhere. Ex-wife. Love of his life. The last person in the world he wanted to see...ever. And now that he's working beside her every day, he can't escape her. Her scent, glimpses of her smile, even the tension in the air that makes his body hum with the kind of need he'd only experienced with one person-all of it is driving him over the edge. Brant Wellington was certain of three things: Alcohol wasn't going to solve this. He really was losing his F-ing mind. And his gorgeous ex-wife was going to be the death of him.

A novel about a shattered family, broken hearts, and healing love by Rachel Van Dyken, the number one New York Times bestselling author of Stealing Her. Coming out of a coma was one hell of a wake-up call. While I was in the dark, my estranged twin brother, Bridge, had replaced me in the company I owned and swept up my fiancée in the takeover. With my ruthless reputation, can I blame them for falling in love? I have to look long and hard at where I've been and where I'm headed. Alone time? The universe has other plans. Our family's secluded Vermont cabin comes with a gorgeous--if at first, unwelcoming--surprise. She's renter Keaton Westbrook, a social media superstar struggling with her own private grief. As a winter storm bears down, we've found something to keep us warm--an intimacy neither of us expected and both of us need. After we say goodbye, what happens then? Keaton and I are longing to reconcile with our painful pasts. I can't bear to do it without her. Is it too much to ask of fate to give us a second chance at life and love?
