The essays in Cutting Edges examine

English satire of the eighteenth

century from various theory-based

postmodern perspectives. Some

examine little-known works that

postmodern concerns, such as the role

of women and the problems of

authorship, have rendered especially

The number of bullet points needed will be determined by thesis and the quality of your research but at least two are required. Postmodernism is based on a coherence theory of knowledge. 1 Postmodernism promises autonomous identity formation through social constructionism. 2 Postmodernism reduces truth claims within society to power relations. 3 3.
