That package includes ISBN-10: 0133127478 /ISBN-13: 9780133127478 and ISBN-10: 0133134679/ISBN-13: 9780133134674 . For undergraduate/graduate Principles of Management and Management Skills courses. Skills Development for Tomorrow's managers In its Ninth Edition, Developing Management Skills has become the standard in hands-on management learning. Designed for students of all skill levels and learning styles, the text allows students to apply knowledge to real-world situations, connect concepts to their own lives, and experience management theory in a tactile and engaging way. Updated for tomorrow's managers, this text features contemporary examples, new skill assessments and cases, updated research, and tangible, relevant goals for students to work toward. Focusing on ten essential skills for success in management, Developing Management Skills focuses on what managers actually "do," transforming management concepts into practical, actionable techniques. Students will gain hands-on practice applying management concepts with MyManagementLab. They'll engage in real business situations with simulations, build their management skills by writing and talking about different management scenarios, have access to a videos and current events to help put concepts into perspective, and more. Also available with MyManagementLab® MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

For undergraduate/graduate Principles of Management and Management Skills courses. Whetten/Cameron teaches students the ten essential skills all managers should possess in order to be successful. Developing ManagementSkills, 7/e, begin each chapter, starting with thePAMS assessmentin the introduction, allowing students to see which skills they need to focus on more. It shows students with little work experience that most managers struggle with one or more skills presented in the book.

Textbook

For undergraduate/graduate Principles of Management and Management Skills courses. Help students develop ten essential management skills.With an emphasis on self assessments, Developing Management Skills gets students involved in the learning experience, helping them connect the theories to their own lives.
