- **Guide** Honda strongly recommends that any body damage (e.g., cuts, scratches, holes) be repaired by a qualified boat repair facility. • After washing the watercraft, consider using a commercially-available spray cleaner/polish or quality fiberglass marine polish wax to finish the job.

All, I have been searching for a PDF version of the repair manual for a 2002 Honda Aquatrax F-12x. I have found useless links and that's about it. Does anyone have a manual or a place that I can download from that currently works? I do not need the owners manual. Thanks, Hunter
