In Mildred Pierce, noir master James M. Cain creates a novel of acute social observation and devastating emotional violence, with a heroine whose ambitions and sufferings are never less than recognizable. Mildred Pierce had gorgeous legs, a way with a skillet, and a bone-deep core of toughness. She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class. But Mildred also had two weaknesses: a yen for shiftless men, and an unreasoning devotion to a monstrous daughter.

Mildred Pierce had gorgeous legs, a way with a skillet, and a bone-deep core of toughness. She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class. plusieurs restaurants. Elle a une liaison avec Monty Beragon que sa fille aînée Vera, jalouse d'elle en tout, lui prend. C'est le début de la fin...

James M. Cain, virtuoso of the roman noir, gives us a tautly narrated and excruciatingly suspenseful story in *Double Indemnity*, an X-ray view of guilt, of duplicity, and of the kind of obsessive, loveless love that devastates everything it touches. Walter Huff was an insurance salesman with an unfailing instinct for clients who might be in trouble, and his instinct led him to Phyllis Nirdlinger. Phyllis wanted to buy an accident policy on her husband. Then she wanted her husband to have an accident. Walter wanted Phyllis. To get her, he would arrange the perfect murder and betray everything he had ever lived for.

An amoral young tramp. A beautiful, sullen woman with an inconvenient husband. A problem that has only one grisly solution--a solution that only creates other problems that no one can ever solve. First published in 1934 and banned in Boston for its explosive mixture of violence and eroticism, *The Postman Always Rings Twice* is a classic of the roman noir. It established James M. Cain as a major novelist with an unsparing vision of America's bleak underside, and was acknowledged by Albert Camus as the model for *The Stranger*.

Three classics from the noir master include signature pieces about murder, obsessive love, and psychological devotion; and are complemented by five short

works including "Pastorale," "The Baby in the Icebox," "Dead Man," "Brush Fire," and "The Girl in the Storm." 15,000 first printing.

Following her husband's death in a suspicious car accident, beautiful young widow Joan Medford is forced to take a job serving drinks in a cocktail lounge to make ends meet and to have a chance of regaining custody of her young son. At the job she encounters two men who take an interest in her, a handsome young schemer who makes her blood race and a wealthy but unwell older man who rewards her for her attentions with a \$50,000 tip and an unconventional offer of marriage... The last, lost crime novel by one of the greatest noir novelists of all time, author of *Mildred Pierce*, *Double Indemnity*, and *The Postman Always Rings Twice*. Now published for the very first time - including an afterword by editor Charles Ardai!

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause

allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.

Seventeen hardboiled crime stories from the “poet of the tabloid murder” and author of *Double Indemnity* (Edmund Wilson). They call him Lucky—but he has never had a lucky day in his life. A nineteen-year-old hobo just starting to ride the rails, he is hiding in the coal car when the railroad detective comes through. They get into a scuffle, and Lucky’s hand finds a railroad spike. Before he knows it, he has smashed the investigator’s head and shoved him out of the car. If he hurries, if he’s lucky, he will get back to Los Angeles in time to establish an alibi, burn his clothes, and avoid the electric chair. But as Lucky will discover, the deadliest threat is lurking within his own mind. “Dead Man” is just one of the outstanding stories included in this volume. The author of some of the most hard-boiled prose ever written, James M. Cain understood fear in all its forms—and knew better than anyone the terror of a killer on the run.
