This study on the contemporary relevance of Rousseau's ethical and social thought, the "ethic of authenticity," responds to the tensions of modern morality and rivals the answers generated by the more mainstream tradition of the "ethic of autonomy." "I know of no study on Rousseau like this. It is indeed useful and important.

The longing for authenticity, on an individual or collective level, connects the search for external expressions to internal orientations. What is largely referred to as production of authenticity is a reformulation of cultural values and norms within the ongoing process of modernity, impacted by globalization and contemporary transnational cultural flows.

Review essay : The persistence of authenticity: Alessandro ...
For the purpose of analysis and deep study, the period
called modernity is divided into three distinct phases
referred to as early modernity (from 1453 to 1789), classical
modernity (from 1789 to 1900), and finally late modernity
that is said to have started in 1900 and lasted till 1989.
