While readers need a familiarity with basic astrology to understand this book, those interested in the subject, whatever their level of knowledge, will find much ...

Mundane Astrology | Karen Christino

Mundane astrology is the type of astrology used to predict world affairs and events. The name mundane is taken from the Roman word *Mundus* meaning “the world.” Mundane astrology branched off from judicial astrology and it is believed to be one of the oldest branches of astrology. During the Middle Ages, mundane astrology was often referred to as *Revolutions*, as a revolution has come to signify change for a nation or country.

What is Mundane Astrology?

The Houses in Mundane Astrology. 4/4/2018. 37. 55. Mundane astrology studies the impact of the planets on the world at large. It's a wider view of astrology and how it impacts all of us as societies, countries, and Earthlings. When you're interpreting a chart in mundane astrology, whether it's for a country, corporation, or event, the houses in the chart can be similar to how they're interpreted in the natal.

The Houses in Mundane Astrology

Mundane astrology, the study of heavenly cycles upon groups and nations is the most ancient branch of astrology. The affairs of a nation can be judged from the horoscope set up at the time of its official inauguration, the birth chart of its leader, and various phenomena such as eclipses, lunations, great conjunctions, stations, comets and ingresses.

Skyscript: Ingresses, an Introduction to Mundane Astrology

World event predictions belong to mundane astrology. Of course, if a complete horoscope chart is made on a country or an institution of some kind, that would also be mundane astrology. Personal astrology is done by the birth chart, also called nativity, erected for the moment of a person's birth.

Mundane astrology is the study of how the changing positions of the Sun, Moon and planets impact on world events. This is best done using the horoscopes of nations. Many mundane astrologers still persist with using ingress or lunation charts set for capital cities, or focus on the horoscopes of world leaders. These methods have failed miserably in the past, more can be gained by using national horoscopes.

Mundane Astrology – Astrology King

Mundane astrology is the branch of astrology dealing with history, society, and politics. Traditionally, it had two main functions: First, to understand the past, and, second, to predict the future. Both functions, though, are subsumed within a greater purpose—to manage the present.

Mundane Astrology | Article about Mundane Astrology by The ...

“ Mundane astrology (also known as political astrology) is the application of astrology to world affairs and world events, taking its name from the Roman word Mundus, meaning “the World”. Mundane astrology is a branch of Judicial astrology and is widely believed by astrological historians to be the most ancient branch of astrology.
