An unusually strong first book, this collection of short stories depends on exquisitely crafted surfaces that conceal shocking emotional force. Three of the stories are obliquely connected and feature young women on the edge. In the first of these, a new mother contemplates her new baby; in the second, a girl finds herself in rehab; and in the final story, the main character goes to jail. Other characters include a New Zealand serviceman returned from active duty in Dili, the employees of a \$2 shop, and a vegan couple at a Samoan resort.

bestselling author of Carve the Mark and the Divergent series A missing girl on a journey of revenge. A Serial-like podcast following the clues she's left behind. And an ending you won't be able to stop talking about. "Today, WNRK is launching the first episode of our new serialized podcast, The Girls, created and hosted by West McCray." When popular radio personality West McCray receives a desperate phone call from a stranger imploring him to find nineteen-year-old runaway Sadie Hunter, he's not convinced there's a story there; girls go missing all the time. But when it's revealed that Sadie fled home after the brutal murder of her little sister, Mattie, West travels to the small town of Cold Creek, Colorado, to uncover what happened. Sadie has no idea that her journey to avenge her sister will soon become the subject of a blockbuster podcast. Armed with a switchblade, Sadie follows meager clues hoping they'll lead to the man who took Mattie's life, because she's determined to make him pay with his own. But as West traces her path to the darkest, most dangerous corners of big cities and small towns, a deeply unsettling mystery begins to unfold—one that's bigger than them both. Can he find Sadie before it's too late? Alternating between Sadie's unflinching voice as she hunts the killer and the podcast transcripts tracking the clues she's left behind, Sadie is a breathless thriller about the lengths we go to protect the ones we love and the high price we pay when we can't. It will haunt you long after you reach the final page.

An upbeat cultural evaluation of the sources of illogical decisions explores the reasons why irrational thought often overcomes level-headed practices, offering insight into the structural patterns that cause people to make the same mistakes repeatedly. 150,000 first printing.

'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

An exploration of the parallel development of product and graphic design from the 18th century to the 21st. The effects of mass production and consumption, man-made industrial materials and extended lines of communication are also discussed.

From the beloved bestselling author Santa Montefiore comes a new novel filled with humour and heart. For fans of *The Temptation of Gracie*, Flappy now takes centre stage, more charismatic and competitive than ever. 'Fresh, fun and fabulous! Flappy certainly kept me entertained!' Heidi Swain, Sunday Times bestselling author of *The Winter Garden* Underneath her graceful exterior lies a passion nobody knew about, least of all Flappy herself... Flappy Scott-Booth is the self-appointed queen bee of Badley Compton, a picturesque Devon village. While her husband Kenneth spends his days on the golf course, she is busy overseeing her beautiful house and gardens, and organising unforgettable events, surrounded by friends who hang on to her every word. Her life is a reflection of herself - impossibly perfect. Until the day that Hedda Harvey-Smith and her husband Charles move into the village. Into an even grander home than hers. Taking the front seat on the social scene, quite literally. That simply will not do. Flappy is determined to show Hedda how things are done here in Badley Compton. But then she looks into Charles's beautiful green eyes. And suddenly, her focus is elsewhere. She is only human, after all... Praise for Flappy Entertains: 'Santa Montefiore is a born storyteller' Woman's Weekly 'A friendly, undemanding read in unfriendly, demanding times' Daily Mail 'A keeping up with the Joneses tale that will lift your spirits in no time' New! 'Another winner from the author who writes about relationships so astutely' Belfast Telegraph 'Packed with wickedly funny insights and throwaway lines and written with an extra-large helping of heart, this is the perfect escape for anyone in need of a book hug!' Lancashire Post 'With its air of nostalgia, gentle humour and snobbery, this is a super but also surprising read' NFOP magazine Praise for Santa Montefiore: 'Nobody does epic romance like Santa Montefiore' JOJO MOYES 'An enchanting read, overflowing with deliciously poignant moments' DINAH JEFFRIES 'Santa Montefiore hits the spot for me like few other writers' SARRA MANNING 'One of our personal favourites' The Times 'Accomplished and poetic' Daily Mail 'Santa Montefiore is a marvel' Sunday Express
