Being in a coma has helped to open Charlotte Grey ' s eyes for the very first time . . . As she hovers somewhere between life and death, Charlotte finally realizes what a complete mess she ' s made of her time on Earth—including the five years she ' s wasted on worthless, faithless James Kane. The afterlife should be paradise compared to that—except “ heaven ” seems to be nothing more than a big retirement home in the sky, with lots of bingo and bridge and absolutely no sign of Elvis, Princess Di, Kurt Cobain, or anyone else worth spending eternity with. Charlotte would rather return to Earth, thank you very much. But the only way she can get there is as a bona fide guardian angel . . . and the lost soul she ' s assigned to is none other than the James Kane, who tore her heart out and stomped on it. Still, Charlotte ' s determined to use her second chance to really start living,

Kane or not, and have some fun . . . for once in her afterlife.

Cinderella ' s transformation from a lowly, overlooked servant into a princess who attracts everyone ' s gaze has become a powerful trope within many cultures. Inspired by the Cinderella archive of books and collectables at the University of Bedfordshire, the essays in this collection demonstrate how the story remains active in various different societies where social and family relationships are adapting to modern culture. The volume explores the social arenas of dating apps and prom nights, as well as contemporary issues about women ' s roles in the home, and gender identity. Cinderella ' s cultural translation is seen through the contributors ' international perspectives: from Irish folklore to the Colombian Cenicienta costeña (Cinderella of the coast) and Spanish literary history. Its transdisciplinarity ranges from fashion in Charles Perrault and the Brothers Grimm ' s publications to a comparison of Cinderella and Galatea on film, and essays on British authors Nancy Spain, Anne Thackeray Ritchie and Frances Hodgson Burnett.

An original, funny and poignant story about those things in life that you just can't plan for... Eloise Elliot is one of Dublin's youngest newspaper editors. Respected and revered by her peers, she's at the very top of her game. On the eve of her thirtieth birthday, Eloise is hit by a long, sharp pang of loneliness and realises she craves to be a mother. Three years on, after a successful trip to the sperm bank, Eloise is now the adoring, yet fraught single mother to Lily. But panic sets in when Lily starts asking about her 'daddy' and Eloise is left with no choice but to try and find him. What could possibly go wrong? Perfect for the fans of Marian Keyes.

The leitmotif, but not exclusive theme, of the present volume is Ronald Langacker ' s (1987) thesis that “ lexicon, morphology, and syntax form a continuum of symbolic units serving to structure conceptual content for expressive purposes ” . The concept of the lexicogrammar continuum contrasts especially with mainstream generative grammar, but also, although less radically, with other cognitive linguistic paradigms, such as Construction Grammar. The contributors to this volume explore the lexicogrammar continuum and other issues of the architecture of language mostly from a cognitive linguistic perspective. A wide range of theoretical and methodological themes is covered such as the integration of discourse and interactional phenomena into Cognitive Grammar, the status of introspective data, figurative language and thought (i.e. metaphor and metonymy), morphosyntactic constructions, and phonological structure. Besides English (including Old English), languages analyzed in some detail include Polish, Czech, Dutch, Estonian, Georgian, German, Danish, and Portuguese. The volume will be of interest to scholars and graduate students in cognitive linguistics, especially Cognitive Grammar, Construction Grammar, metaphor and metonymy, and corpus linguistics.

A short story to curl up with this Christmas! This year, it ' s time for A Christmas Carole...

A riches to rags fairy-tale, complete with an evil step-mom and two wicked step-sisters which will have you praying for a happy-ever-after. Light-hearted, warm, a perfect tonic! Jessie Woods absolutely believes in fairytale endings, so would you if you had a recession-proof career as a daredevil TV host, a palatial pink mansion, and the dream boyfriend. But, quicker than you can say Cinderella, her life falls to

pieces and suddenly her prince isn't quite so charming, her party-loving friends disappear and even her faithful friend Visa no longer loves her... Utterly heartbroken and jobless, Jessie is forced back home, to live with her stepmom and two evil stepsisters. Is it time for her to give up on the dream - or will Jessie learn that happy endings can come in the strangest of places?

In this delightful, clever spin on Cinderella, Charlie Glass—a heroine as loveable as Cannie Shapiro and Bridget Jones—inherits her father ' s shoe empire and snatches up a drop-dead-gorgeous, multi-millionaire Prince Charming. But is he truly the key to her happily ever after? When Charlie ' s beloved father, iconic shoe designer Elroy Glass, dies after a long illness, everyone expects that he ' ll leave his business to his glamorous wife and eldest daughters. After all, they ' ve been running the company for years. But Elroy surprises everyone from beyond the grave: at the will reading, it ' s announced that his fashion empire has been left to Charlie, his youngest—and plumpest—daughter. Before she can run the company, Charlie decides she needs to make a few changes in her life. After several weeks at a California boot camp, she returns to London a new woman: thinner, blonder, and ready to revitalize the Elroy Glass brand. But as she ' ll soon discover, a good esthetician and a killer pair of stilettos can only go so far, and there ' s more to reinvention—and running a fashion empire—than meets the eye. Endlessly entertaining, surprising, and ultimately inspiring, Charlie Glass ' s Slippers is a modern-day fairytale about finding your own magic and transforming yourself from within.

In the Five Hundred Kingdoms, if you can't carry out your legendary role, life is no fairy tale.... Elena Klovis was

Download Free Personally I Blame My Fairy Godmother Ebook Claudia Carroll

supposed to be her kingdom's Cinderella—until fate took that future away from her, and she set out to make a new life for herself. But breaking with "The Tradition" that guides the kingdoms comes with a cost—one that could leave her powerless and destitute. Until, that is, her fairy godmother intervenes and offers her a most unexpected job... to become her apprentice, and learn the ways of magic. Now, instead of sleeping in the chimney, Elena must guide others along their own fated paths. And, of course, deal with arrogant, stuffed-shirt princes who keep trying to rise above their place. But when she finds herself falling for someone completely unexpected, she begins to question where her own path will lead her—and whether she 's willing to take fate into her own hands. Sometimes a fairy godmother's work is never done... Read the Tale of Five Hundred Kingdoms Series by Mercedes Lackey: Book 1: The Fairy Godmother Book 2: One Good Knight Book 3: Fortune ' s Fool Book 4: The Snow Queen Book 5: The Sleeping Beauty Book 6: Beauty and the Werewolf
