scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-

to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow" customers profitably
- Compute how you'll drive your startup to repeatable, scalable

in the state were legal and frequently carried out. In *Legacy of Violence*, John D. Bessler takes us on a compelling journey through the history of lynchings and state-sanctioned executions that dramatically shaped Minnesota's past. Through personal accounts of those involved with the events, Bessler traces the history of both famous and lesser-known executions and lynchings in Minnesota, the state's anti-death penalty and anti-lynching movements, and the role of the media in the death penalty debate. Bessler reveals Abraham Lincoln's thoughts as he ordered the largest mass

execution in U.S. history of thirty-eight Indians in Mankato after the Dakota Conflict of 1862. He recounts the events surrounding the death of Ann Bilansky, the only woman ever executed in Minnesota, and the infamous botched hanging of William Williams, which led to renewed calls for the abolition of capital punishment. He tells the story of the 1920 lynching in Duluth of three African-American circus workers--wrongfully accused of rape--and the anti-lynching crusade that followed. The significant role that Minnesota played in America's transformation

to private, after-dark executions is presented in the discussion of the "midnight assassination law." Bessler's account is made more timely by the thirty-five hundred people on death row in America today--more than at any other time in our nation's history. Is Minnesota's current approach superior to that of states that have capitalpunishment? Bessler looks at Minnesota history to ask whether the application of the death penalty can truly solve the problem of violence in America.
