Developed with the help of instructors from two- and four-year schools, the sixth edition gives students quick access to the information they need to solve writing problems in any college course. In the Hacker tradition, the new contributing authors — Nancy Sommers, Tom Jehn, Jane Rosenzweig, and Marcy Carbajal Van Horn — have crafted solutions for the writing problems of today's college students. Together they give us a new edition that provides more help with academic writing and research and one that works better for a wider range of multilingual students. Flexible content options — in print and online — allow students to get more than they pay for.
