What is Gotcha Capitalism? Coughing up \$4 fees for ATM transactions. Iron-clad cell phone contracts you can ' t get out of with a crowbar. Paying big bucks for insurance you don ' t need on a rental car or forking over \$20 a day for supposedly " free " wireless internet. Every day we use banks, cell phones, and credit cards. Every day we book hotels and airline tickets. And every day we get ripped off. How? Here are just a few examples of how big business can get you: • You didn ' t fill up the rental car with gas? Gotcha! Gas costs \$7 a gallon here. • Your bank balance fell to \$999.99 for one day? Gotcha! That ' ll be \$12. • You miss one payment on that 18-month same-as-cash loan? Gotcha! That ' ll be \$512 extra. • You ' re one day late on that electric bill? Gotcha! All your credit cards now have a 29.99% interest rate. But not for much longer. In Gotcha Capitalism, MSNBC.com ' s " Red Tape Chronicles " columnist Bob Sullivan exposes the ways we ' re all cheated by big business, and teaches us how to get our money back – proven strategies that can help you save more than \$1,000 a year. From the Trade Paperback edition.

This book presents the actual statements and writings of jihadis expressing their views on virtually every subject relevant to their cause. It is not about Islam as it is practiced in its many varieties in Muslim communities throughout the world, nor is it about Islamic fundamentalism or the various Islamist political movements. Rather, it is about a small group of Muslims who carry out and promote terrorism in the name of Islam. Because the jihadis' statements are often more appalling and more profoundly revealing than the accounts that have been written about jihadi terrorism, this book provides unfiltered access to a broad range of the stories, rationales, ideas, and arguments of jihadi terrorists and those who support them. Introductory and contextual material is also included, to provide the background and origins of what the jihadis are saying?to each other and to the world. It is hoped that this will provide greater insights into the motives, plans, and participants in jihadi terrorism, as well as the nature of the threat they pose. Not all of the quotations are from prominent jihadis. Some have been selected because they are representative, others because they are contradictory, and still others because they provide a unique insight into the jihadi mentality.
