### The Art of Being®

If the Art of Being - the art of functioning as a whole person - can be considered the supreme goal of life, a breakthrough occurs when we move from narcissistic selfishness and egotism - from having - to psychological and spiritual happiness - being. The Art of Being is certain to be one of the most important and sought-after works in the Fromm canon for years to come.

## Happiness and the Art of Being - Happiness Of Being

The art of just being, remaining fully conscious but without any activity of the mind, is not only an art – a practical skill that can be cultivated and applied to produce an experience of inexpressible beauty and joy – but also a science – an attempt to acquire true knowledge by keen observation and rigorous experiment. And this art and science of being is not only the art and
