The Conqueror was the first book I have read by Brenda Joyce. It is the type of romance often written about fifteen years ago that we do not see much today. This type of romance involves a very strong yet ruthless hero who treats the heroine very badly from time to time

yet finds himself obsessed with her.

Joyce serves up a suspenseful tale full of history and with wonderful characters. I loved the heroine for her courage and her defiance of the Norman overlord. To be Saxon in those days of William the Conqueror was to know hardship and humiliation. Ceidre tried to do her part to fight against it even at the cost of her personal integrity.
