3 reviews of The Paper Doctor "Devin helped me edit several articles for publication. I was looking for someone who could help me with anything from just a few edits to a complete overhaul of my writing, if needed. There was an article, in particular, in which we tore it down and started from scratch. He has incredible attention to detail! The whole process helped me to organize my thinking ...

In 1977, I wrote a book called Paper Doctors. The premise was that medical researchers have produced so much research that doctors miss vital stuff. My conclusion was that all research should be stopped while we sorted out what we had. We drown in research discoveries and the really useful stuff is swamped.
