Book Review: The Referral Engine - Touch Your Clients Heart

The Referral Engine is certainly not your average book about referrals and marketing, this is a small business how-to guide on creating content that makes a difference. I consider myself to be very well versed in the ways of new media and social engagement for my business and my personal brand, but I could not stop writing notes and tweaking existing ideas.

Amazon.com: Customer reviews: The Referral Engine ...

The "referral engine" really is a process rather than a mechanism. Despite what this book's subtitle claims, no business can be "taught to market itself" any more than a piano can be "taught to play Bach." However, as Jantsch explains, an organization's leaders [begin italics] can [end italics] devise and then execute the aforementioned strategy.
