The 120-series Land Cruiser Prado shares the same suspension parts as the Hilux Surf/4Runner and FJ Cruiser for similar years. There is a shorter three-door version of the 120-series, with a 125-code instead of 120. Engines are the same, most features are the same; just the 1KZ-TE was only available in five-door version.

Re: Steering wobble/vibration. That must be bad if the missus noticed it !! I'd take it down for a wheel alignment and balance and get them to do a complete wheel alignment check for both the front and back wheels and ask for a printout of the measurement. This should provide, camber, castor and other angles.
