White's lawn and garden tractor line began in 1970 when it discontinued the Minneapolis-Moline Town & Country lawn tractor line and renamed it the White Town & Country lawn tractor (White had purchased Minneapolis-Moline in 1963). White Outdoor was purchased by MTD in 1981. After 2010, MTD stopped manufacturing new White lawn tractors.

With over 800 of the most closely guarded photographic " tricks of the trade, " this boxed set—consisting of all four parts of Scott Kelby ' s best-selling series, The Digital Photography Book—is the ultimate resource for any one who wants to shoot dramatically better-looking, sharper, more colorful, more professional-looking photos every time. Scott Kelby, the man who changed the " digital darkroom " forever with his groundbreaking, best-selling The Photoshop Book for Digital Photographers, now tackles the most important side of digital photography—how to take professional-quality shots using the same tricks today ' s top digital pros use (and it ' s easier than you think). These aren ' t books of theory, full of confusing jargon and detailed concepts. These are books on which button to push, which setting to use, and when to use it. Each page covers a single concept on how to make your photography better. Every time you turn the page, you ' ll learn another pro setting, tool, or trick to transform your work from snapshots into gallery prints. If you ' re tired of shots that look " okay, " and if you ' re tired of looking in photography magazines and thinking, " Why don ' t my shots look like that? " then these are the books for you.
