Holly Cathers' world shatters when her parents are killed in a terrible accident. Wrenched from her home in San Francisco, she is sent to Seattle to live with her relatives, Aunt Marie-Claire and her twin cousins, Amanda and Nicole. But as she struggles to settle into her new home, Holly's sorrow and grief soon gives way to bewilderment at the strange incidents going on around her. Such as how any wish she whispers to her cat seems to come true. Or the way a friend is injured after a freak attack from a vicious falcon. And then there's the undeniable, magnetic attraction to a boy Holly barely knows— Holly and her cousins, Amanda and Nicole, are about to be drawn into family feud spanning generations. And as they uncover a dark legacy of witches, secrets, and alliances, where ancient magic yields dangerous results, the girls learn of a shared destiny that is beyond their wildest imaginations...

Spellbound, the fourth and seemingly final book in the Wicked series, originally published in 2003, left readers on the edge of their seats with a classic cliffhanger ending. But now, as new fans of the bind-up editions of the series begin to ask the same question, the true and final conclusion to the Wicked series will emerge. And all their questions will be answered in this heart-stopping, magical adventure about witches, destiny, and the beyond.

As the Cursed Ones amass new strength, Team Salamanca must strike together if they hope to survive, let alone defend humanity. Jenn wants to believe Antonio's loyal to their cause—and their love—but she's slowly losing her heart to Resistance fighter Noah. And if Antonio's not careful, he may just end up with a stake in his. This gripping conclusion to an epic trilogy pairs steamy romance with heart-stopping action, and delivers an ending as dramatic as it is unexpected.
