Book Wizard; Z for Zachariah. By Robert C. O'Brien. Grades. 6-8 Genre. Fiction. Sixteen-year-old Ann Burden has been alone for the past year. Her parents and neighbors disappeared into the dead zone after the war and never returned. When a man arrives, she hopes for a life partner, but she soon finds that she is fighting for her freedom instead

Z for Zachariah by Robert C. O'Brien | Scholastic

Robert C. O'Brien's "Z for Zachariah" is, along with Peter Dickinson's "Eva," about as bleak as any novel can get, let alone one targeted to the juvenile audience - bleak even for the post-apocalyptic genre - and, like "Eva," it's gripping and thought-provoking and likely to haunt the reader for years. O'Brien originally intended this is a ...

Z for Zachariah (1987 edition) | Open Library

Early in the movie, you are shown that "A is for Adam" in the library scene, but a lot of specifics in the story that follows are up to you to infer, up to and including that Z is for Zachariah. If you prefer to be spoon-fed every detail and to have every question answered by the end of the story, then you may hate this movie.

Z for Zachariah (2015) - Plot Summary - IMDb

The book I have been reading was called "Z for Zachariah" by Robert C. O'Brien. The two elements that contributed to my understanding and pleasure in this novel were the structure of the novel and the power struggle the main characters had to survive.

In this post-apocalyptic novel from Newbery Medal-winning author Robert C. O'Brien, a teen girl struggling to survive in the wake of unimaginable disaster comes across another survivor. Ann Burden is sixteen years old and completely alone. The world as she once knew it is gone, ravaged by a nuclear war that has taken everyone from her. For the past year, she has lived in a remote valley with no evidence of any other survivors. But the smoke from a distant campfire shatters Ann's solitude. Someone else is still alive and making his way toward the valley. Who is this man? What does he want? Can he be trusted? Both excited and terrified, Ann soon realizes there may be worse things than being the last person on Earth.

Seemingly the only person left alive after a nuclear war, a sixteen-year-old girl is relieved to see a man arrive into her valley until she realizes that he is a tyrant and she must somehow escape.

Striking out into the wasteland with nothing but her baby sister, a handful of supplies, and a rumor to guide her, sixteen-year-old midwife Gaia Stone survives only to be captured by the people of Sylum, a dystopian society where women rule the men who drastically outnumber them, and a kiss is a crime. In order to see her sister again, Gaia must submit to their strict social code, but how can she deny her sense of justice, her curiosity, and everything in her heart that makes her whole?

The Russian government is allowed to purchase an estate near Mount Vernon where they conduct biological experiments

After defying the ruthless Enclave, surviving the wasteland and over-throwing the tyrannical leader of Sylum, Gaia Stone now faces her greatest challenge yet - to lead the people of Sylum back to the Enclave and persuade the Protectorat to grant them refuge. With Leon finally by her side, Gaia is hopeful that she can settle her people and finally start the life with him that she's always wanted. But in Gaia's absence, the Enclave has become even more ruthless, picking girls from outside the wall to serve in an experimental baby factory. Babies with the right genes are now a priceless commodity with the potential to reshape life inside the wall and redefine humanity. And when it becomes clear that her genes are exactly what the Enclave needs, Gaia is appalled by the lengths they will go to...

The team behind the New York Times bestselling Wolfie the Bunny and Horrible Bear! is back with new Arctic characters in this hilarious learning-to-read adventure! Aboard the S.S. Cliff, First Mate Foxy reads an interesting fact: "Lemmings don't jump off cliffs." But Foxy can't get the lemmings on the Cliff to read his book, too. They're too busy jumping off. After a chilly third rescue, exasperated Foxy and grumbly polar bear Captain PB realize their naughty nautical crew isn't being stubborn: The lemmings (Jumper, Me Too, and Ditto) can't read. And until Foxy patiently teaches his lemmings to read the book, he can't return to reading it, either!

Soon after waking up on her tenth birthday to find a silver crown on her pillow, Ellen's house burns down, her parents disappear, and she is launched on an adventure involving a trek through the woods, a castle full of brainwashed captives, and the powerf

Ballet means everything to Robin Lee. But when her parents, who have brought Robin's grandmother from Hong Kong to America to live with them, can no longer afford her lessons, she is determined not to give up her dream even amidst family conflict. A Notable Children's Trade Book in the Field of Social Studies.

Provides reviews for classic and contemporary young adult books, identifies teenagers' interests and best book selections, and includes guidelines for creating reading lists of both young adult and suitable adult literature.

Wary of love after her failed first marriage, widow Kate Blakely nonetheless falls for her new neighbor, Zachariah McGovern. Reissue.
